

# ANCHORED ON HOPE

Lyrics by - Fr. Ernest Rosario sdb

We are the youth from the North to the South,  
Anchored in hope, we are ready to go forth.  
We are the youth from the North to the South,  
Anchored in hope, we are ready to go forth.  
We come from the East and the West of the World,  
Fighting for freedom and love to unfold.  
Bosco, Don Bosco, You are our DON,  
Lead us towards the new DAWN.  
Bosco, Don Bosco, You are our DON,  
Lead us towards the new DAWN.  
SYM - 3, Salesian Youth Movement (4)

Anchored in hope, we are ready to soar,  
Faith-filled and strong, like never before.  
Anchored in hope, we are ready to soar,  
Faith-filled and strong, like never before.  
Building a world of justice and peace,  
Breaking the walls so hate will cease.  
Bosco, Don Bosco, You are our DON,  
Lead us towards the new DAWN.  
Bosco, Don Bosco, You are our DON,  
Lead us towards the new DAWN.  
We are the youth from the North to the South,  
Anchored in hope, we are ready to go forth.  
We are the youth from the North to the South,  
Anchored in hope, we are ready to go forth.

Rooted in love, we will lead the way,  
Truthful and honest, every day.  
Rooted in love, we will lead the way,  
Truthful and honest, every day.  
Dreaming a future sustainable,  
Moulding a tribe invincible.  
Bosco, Don Bosco, You are our DON,  
Lead us towards the new DAWN.  
Bosco, Don Bosco, You are our DON,  
Lead us towards the new DAWN.  
We are the youth from the North to the South,  
Anchored in hope, we are ready to go forth.  
We come from the East and the West of the World,  
Fighting for freedom and love to unfold.  
Bosco, Don Bosco, You are our DON,  
Lead us towards the new DAWN.  
Bosco, Don Bosco, You are our DON,  
Lead us towards the new DAWN.

We are the change, young and bold,  
Agents of hope, our story told.  
Anchored in faith, we light the way,  
Salesian youth, forever we'll stay.
